CAPABILITY STATEMENT

MindEdge Solutions, Inc. · IT Services · Staff Augmentation · Digital Transformation

ABOUT US

MindEdge Solutions, Inc. is a Georgia-based, Woman-Owned Small Business (WOSB) and SBA-Certified Economically Disadvantaged WOSB (EDWOSB) providing full-spectrum IT services to government and commercial clients since 2014. With HQ in Cumming, GA—proximate to USACE Savannah, CDC, EPA Region 4, FEMA Region 4, and GSA Region 4—we combine domestic oversight with 24-hour offshore delivery capacity.

CORE COMPETENCIES

- WCAG 2.1 AA WordPress development & accessibility-first design
- Section 508-conformant CMS migrations with VPAT documentation
- React / Headless WordPress architecture & modern front-end builds
- Secure cloud hosting, managed IT, and ongoing site maintenance
- Bilingual (English/Spanish) website design and content builds
- IT Staff Augmentation & Manpower / Workforce Services
- Agile software development, DevOps, mobile & web app development

KEY DIFFERENTIATORS

- WOSB + EDWOSB dual certification — only ~2,000 EDWOSBs nationwide
- Offshore 24-hour delivery via vetted India partner (Dew Solutions Pvt. Ltd.) under formal teaming agreement
- VPAT-documented deliverables on every 508/WCAG engagement
- HQ proximity to major federal hubs: USACE Savannah, CDC, EPA Region 4, FEMA Region 4, GSA Region 4
- Track record across nonprofit, government, healthcare & enterprise technology sectors
- Equal Opportunity Employer — diverse, inclusive, performance-driven culture

PAST PERFORMANCE

PROJECT 1 · IBM

IT Staff Augmentation & Change Management — Enterprise Technology Rollout

Delivered IT staff augmentation and end-to-end change management support for a large-scale enterprise technology rollout at IBM. Coordinated cross-functional teams, managed transition timelines, and ensured adoption across business units.

Organization: IBM **Completed:** April 2022

PROJECT 2 · Sri Aurobindo Society (via India Partner)

Svarnim Puducherry — WordPress Website Modernization

Complete rebuild of a fragmented nonprofit website serving as a cultural center. Delivered a modern WordPress platform featuring dynamic calendars, member directories, document hosting, event management, and public engagement capabilities. Standardized data architecture and enabled impact analytics.

Organization: Sri Aurobindo Society (Nonprofit)

Website: svarnim.aurosociety.org **Duration:** Oct 2022 – Jul 2023
